Question: When did communion in the hand begin?

Answer: Communion in the hand dates to before the fourth century. St. Cyril of Jerusalem said, "Receive Communion in your left hand as on a throne, and place it in your mouth with your right hand."

Rosary Society dues will not be collected until sometime in March after you receive your annual letter from the Rosary Society. Those of you who have paid your Rosary Society dues recently will still receive a letter in March to inform you of what is happening - just ignore the form that asks you to pay your dues since you have done so already. Thank You!

Oelwein Kitchen Cupboard - We are collecting 46 ounce cans of tomato juice for the months of February and March.

Catholic Charities - On account of our Baptism and faith, we are all partners to continue Jesus' mission in the ministries of the Catholic Church. An important Church ministry is to help the poor who cannot provide for themselves. Catholic Charities is the ministry in the Archdiocese that works to promote service to the poor. We learn from Scripture that we are "co-workers with the truth" when we support the ministries of the church with our monetary donations(3 John 8). Financial support of Catholic Charities fulfills our mission priority of promoting stewardship, which includes sharing time, talent, and treasure in support of the Church and the poor. Fliers are attached to the bulletin with more information and the opportunity to make a donation.

Milk Moola - Kwik Trip has decided to discontinue its Milk Moola program. All bag tops and bottle caps need to be collected by March 24th so that we can send them in before the deadline. Remember they have to be the specially marked bag tops and caps that say Milk Moola on them. There is a dark green container in the east entrance of church to put them in. Thank you for your continued support of the program - please turn them in by March 24th!!!!!!
