 Everybody can be great, because everybody can serve. You don’t have to have a college degree to serve. You don’t have to make your subject and your verb agree to serve. You don’t have to know the second theory of thermodynamics to serve. You only need a heart full of grace and a soul generated by love.” – Martin Luther King, Jr.

ASK FATHER

Question: Do devout Jews go to Heaven?

Answer: It is possible devout Jews go to heaven. Salvation comes from God alone. Those Jews who follow God as best as they can have a chance to attain salvation. We believe salvation comes through Jesus Christ. Jesus extends the gifts of salvation to all who seek Him with a sincere heart. However, the Church has means to attain salvation as quickly as possible. Therefore, it is imperative that we make Christ known, loved, and served to as many people as possible. See Catechism of the Catholic Church No. 847.

Questions to ask Father can be left in the wooden box at the east entrance of church or emailed to: AskFather600@gmail.com or find us on Facebook.
