ASK FATHER

Question: What is the symbolism of the four horsemen in Revelation (white, red, black, and green/pale horse)?

Answer: These horses are agents of imminent catastrophe at the end of the world. St. John describes the “breaking of the seals” and the creatures that emerge. He lists four types of disasters that will befall the earth at the end: the first rider of a white horse is a conqueror, the second rider of a red horse is a terrible war; the third rider of a black horse is a famine; and the fourth rider of a pale or green horse is a symbol of death. Their story is found in Revelations 6:1-8.

Questions to Ask Father can be left in the wooden box at the east entrance of church or emailed to: AskFather600@gmail.com or find us on Facebook.
